**KENNETH A. MALAMENT D.D.S., M.Sc.D.**  
 Curriculum Vitae

**Place of Birth:** New York, New York

**Education:**

Professional Children’s School	1967
Syracuse University	1971
B.A. — Bacteriology	
New York University College of Dentistry	1975
D.D.S. — Dentistry	
Boston University School of Graduate Dentistry	1977
C.A.G.S. — Prosthodontics	
Boston University School of Graduate Dentistry	1977
M.Sc.D. — Prosthodontics	

**Major Research Interest:**

Prosthodontics, Periodontics, Ceramics, Biostatistics  
 Implantology, Oral Physiology, Occlusion

**Licensure:**

Northeast Regional Dental Board	1975
American Board of Prosthodontics	1984
Recertification	2000

**Private Practice:**

New York, New York	1975
Boston, Massachusetts	1977 - present
Practice limited to Prosthodontics	
In practice with Dr. Dan Nathanson, Dr. Samantha King, Dr. R. Sheldon Stein (deceased), Inprotek Dental Laboratory	

**Organization Memberships:**

American Board of Prosthodontics	- Diplomate
American College of Prosthodontists	- Fellow
International College of Prosthodontists	- Constituent Member
Academy of Prosthodontics	- Fellow
Greater New York Academy of Prosthodontics	- Fellow
Northeastern Gnathological Society	- Fellow
American Academy of Fixed Prosthodontics	- Member
American Academy of Esthetic Dentistry	- Fellow
Academy of Osseointegration	- Member

American Equilibration Society	- Member
Northeastern Prosthodontic Society	- Member
International Association of Dental Research	- Member
American Association of Dental Research	- Member
American Academy of Dental Science	- Member
International Society of Dental Ceramics	- Member
American Dental Association	- Member
Greater Boston Dental Society	- Member
Brookline Dental Society	- Member

### Organization Appointments:

American Board of Prosthodontics	
Examining Director	2002 – present
Secretary - Treasurer	2004 – 2007
<b>President</b>	2008 – present
American College of Prosthodontists	
Member, Education and Advancement Committee	1988 – 2000
Course Director, Preparation for the American Board of Prosthodontics	1988 – 1998
Chairman, Committee of the Study Guide for Certification Examination by the American Board of Prosthodontics	1984 – 2003
Chairman, Ad Hoc Committee on FPO Dues	1992
Vice Chairman, Annual Session Committee	1993
Chairman, Annual Session Committee	1994
Director, Clinical Division	1995 – 1998
Chairman, Ad Hoc Committee on New Edition of the Private Practice Manual	1998 – 2003
Secretary	2000 – 2003
Member, Officers Committee	2000 – 2003
Chairman, Council for the Affairs of the American Board of Prosthodontics	2000 – 2001
Chairman, Laboratory Division, Education Foundation Board	2002 – 2003
Member, Laboratory Strategic Planning Conference Steering Committee	2002 – 2003
Chairman, Annual Session Advisory Subcommittee	2002 – 2003
Chairman, Task Force for the Private Practice Manual	2002 – 2003
Chairman, Chicago Dental Society - ACP Prosthodontic Symposium	2002 – present
Chairman, ACP Prosthodontic Comprehensive Review Course	2003 – present
Member, Education Foundation Board	2000 – present
Member, Education Foundation Awards Committee	2003 – present
Academy of Prosthodontics	
Chairman, Audi-Visual Committee	1999 and 2003
Chairman, Corporate Liaison Committee	2006 – present
International College of Prosthodontists	
Executive Council	1993 – 1999
Co-Chairman, Program Committee	1995
Secretary-Treasurer	1993 – 1997
Greater New York Academy of Prosthodontics	
Member, Scientific Investigation Committee	1986, 1987
Member, Program Committee	1989 – 1994
Vice Chairman, Program Committee	1992
Chairman, Program Committee	1993

Chairman, Awards Committee	1993
Chairman, Future of Prosthodontics Ad Hoc Committee	2003 – 2004
Executive Council	1994 – 1997, 2002– present
President-Elect	2003 – 2004
<b>President</b>	2004 – 2005
Chairman, Nominating Committee	2006
Chairman, Membership Committee	2007
Northeastern Gnathological Society	
Executive Council	1984 – present
Program Committee	1991
Chairman, Program Committee	1992 – 1998
President-Elect	1996 – 1998
<b>President</b>	1998 – 2000
Chairman, Nominating Committee	2001
Northeastern Prosthodontic Society	
Executive Council	1993 – 2007
Program Chairman	1990 – 1994
President-Elect	1993
<b>President</b>	1994 – 1996
American Equilibration Society	
Co-Chairman, Program Committee	1995
American Academy of Esthetic Dentistry	
Chairman, Program Committee	2010
American Academy of Fixed Prosthodontics	
Co-Chairman, Program Committee	2001
Co-Chairman, Program Committee	2010
Academy of Osseointegration	
Participant, Sinus Graft Consensus Conference	1997
Federation of Prosthodontic Organizations	
Delegate	1988 - 1994
Elected Member, Council for the Affairs of the American Board of Prosthodontics	1989 - 1992
Contributor, Prosthodontics 21-Subgroup Prosthodontics Research	1989
Chairman, Reference Committee - Dental Care/Dental Therapeutics	1990
Secretary, Reference Committee - Dental Care/Dental Therapeutics	1991
New England Section - American College of Prosthodontists	
Executive Council	1985 - 1992
Vice President	1985 - 1987
President	1987 - 1990
Brookline Dental Society	
Executive Council	1985 - 1996
President	1992 - 1994

**Teaching Affiliation:**

Boston University — Clinical Instructor	1978
Boston University — Assistant Professor	1979
Boston V. A. Hospital — Prosthodontic Consultant	1980 - 1987
Tufts University School of Dental Medicine — Clinical Assistant Professor	1990 - 1995
Tufts University School of Dental Medicine — Clinical Associate Professor	1995 - 1999

**Served as a Teaching Consultant to Graduate Prosthodontic Programs**

Harvard University	1981, 83, 93, 94, 2006-09
University of Southern California	1983, 1988, 1998
Hadassah Hebrew University — Jerusalem, Israel	1985, 2000
University of Milano — Milan, Italy	1988
Osaka University — Osaka, Japan	1988
Nihon University — Tokyo, Japan	1988
University of Michigan	1990, 91, 92, 94, 95, 96
Albert-Ludwigs University, Freiburg, Germany	1991
University of Zurich — Zurich, Switzerland	1993, 1999, 2001
New York University College of Dentistry	1995
Boston University School of Graduate Dentistry	1995, 1997, 2000, 2001, 2004, 2005
University of Geneva — Geneva, Switzerland	1996
University of Texas Health Sciences Center at San Antonio Dental School	1997, 1999
UCLA	1997, 2001, 2009
University of Basel — Basel, Switzerland	1998, 2003
Loma Linda University	1999, 2006
University of Tennessee College of Dentistry	1999
Forsyth Institute	1999, 2000, 2001
Bogotá School of Dentistry — Bogotá, Colombia	2000
University of North Carolina School of Dentistry	2000
University of Florida	2000, 2002
University of Connecticut	2001, 2002, 2005
Marquette University Dental School	2001
University of Maryland	2002, 2006, 2009

**Courses Taught:**

- Boston University, 1978 and 1979
  - Undergraduate: Junior Year — 1/3 Lecture Course on Prosthodontic Techniques
  - Senior — Full Lecture Course on Prosthodontic Theory
  - Clinical Chief — Two Days/Week
  - Graduate: First Year — Full Lecture Course on Prosthodontic Literature and Theory
  - Second Year — Gnathological Methods
- Boston V. A. Hospital, 1980 - 1987 — Prosthodontic Literature and Theory
- Northeastern Gnathological Society, 1981 - 1984 — Pantographic Methods
- Institute for Advanced Dental Studies, 1984 — The Clinical Practice of Tissue Retraction and Tooth Impressioning Procedures
- Institute for Advanced Dental Studies, 1984 - 1987, 1989 - present — Perspectives in Dental Ceramics
- Studio Associato Di Odontoiatria Specialistica, 1986 - 1988 — A Clinical and Laboratory Demonstration with the Academics Surrounding Cast Glass-Ceramic Restorations
- Tufts University, 1991 - present — Prosthodontics and Periodontics — Course Director – Year Lecture Course
- Tufts University, 1991 - present — Fixed Prosthodontic Materials — Course Director – Year Lecture Course

## Journalism:

- Consultant, International Journal of Periodontics and Restorative Dentistry (1981 - present)
- Reviewer, European Journal of Esthetic Dentistry (2006 - present)
- Reviewer, International Journal of Prosthodontics (1988 - 1998)
- Reviewer, Journal of Prosthetic Dentistry (1994 - 1995)
- Reviewer, Journal of the American Dental Association (2006 - present)
- Reviewer, Compendium (2008 - present)

## Awards:

- 1977 Greater New York Academy of Prosthodontics, Research Award (Initial)
- 2001 Kaplan Visiting Professorship, University of Florida
- 2002 American College of Prosthodontists - Clinician / Researcher Award
- 2003 American College of Prosthodontists - Daniel F. Gordon Award for Lifetime Achievement
- 2006 American Academy of Fixed Prosthodontics – George Moulton Award for Outstanding Achievement
- 2009 Frank V. Celenza Memorial Award (Initial)

## Instrument Design:

- 1984 *Cast Glass-Ceramic Full Coverage Preparation Kit* — Brasseler, Inc., Savannah
- 1990 *Acrylic Provisional Preparation Kit* — Brasseler, Inc., Savannah

## Active Research:

- Survival of All-Ceramic Materials and the Factors That Affect Risk.
- Development of a Computer Program That Records and Analyzes Clinical Survival Data.
- Development of an Instrument That Would Carry an Implant Screw or Ceramic Inlay.
- A Qualitative and Quantitative Analysis of the Intraoral Microbial Growth on Three Selected Dental Materials: an IN VIVO study.
- The Effects of Different Axial Core Structures on All-Ceramic Material Strength.
- Member, External Advisory Board; Machinable Ceramics - NIDR PO1 DE10976 (1998 - present)

## Industry:

- Channel 3 and Dencubator (2004 - present)
- Dexis (Gendex Corp.) (2005 - present)
- Sultan Chemists (2005 - present)
- Care Credit (GE) (2004 - present)
- Aurum Dental Laboratory – Material Science Advisor (2006 - present)
- Darby Dental Supply Co. (2007 – present)
- Citibank (2005 - 2006)

## Literature:

- Neutralization of E. Coli and Serratia Marcesans L'Asparaginase by Rabbit Anti-E.Coli L'Asparaginase Serum* — Syracuse University Senior Thesis, 1971
- Occlusal Myofunction in Periodontal Disease*; N.I.H. Grant Application, March 1977
- Occlusal Myofunction in Healthy and Diseased Periodontium* — Boston University School of Graduate Dentistry, Master's Thesis, April 1977
- Different Cutting Properties Between Diamond and Carbide Fluted Burs at Different Speeds* — Research Protocol, Boston University School of Graduate Dentistry, 1978
- Standardized Digital Pantograph* — Research Protocol, Boston University School of Graduate Dentistry, 1978

*The Effect of Various Retraction Procedures in Humans Upon the Periodontium* — The Journal of Prosthetic Dentistry, 44:508, 1980

*The Castable Ceramic Crown* — International Journal of Periodontics and Restorative Dentistry, 4:33, 1984

*Study Guide for Examination by the American Board of Prosthodontics* — Submitted revision, the American College of Prosthodontists, 1984, 1986, 1988, 1992, 1999

*The Dicor Castable Ceramic Crown* — Dental Laboratory Procedures: Fixed Partial Dentures, Rhoads, Rudd, & Morrow, editors (second edition), C.V. Mosby, St. Louis, 1985

*The Cast-Glass-Ceramic Restoration* — The Journal of Prosthetic Dentistry, 57:674, 1987

*The Comparative Marginal Fit of Dicor, Gold, and Metal — Ceramic Full Coverage Crowns* — Research Protocol — Dentsply International and Corning Glass Works, 1985

*Effects on Colonization of Oral Microbiota by a Cast Glass-Ceramic Restoration* — International Journal of Periodontics and Restorative Dentistry, 2:23, 1987

*The Cast Glass-Ceramic Crown* — Preston, J.D., editor, *Prospectives in Dental Ceramics*. Berlin: Quintessence Publishing Company Inc., 1987

*Dicor - the Cast Glass-Ceramic Crown* — Preston, J.D., Knellesen, C., editors, *Esthetic Fixed Restorations Today*. Berlin: Quintessence Publishing Company Inc., 1987 (submitted)

*Considerations in Posterior Glass-Ceramic Restorations* — International Journal of Periodontics and Restorative Dentistry, 4:33, 1988

*Color Matching in Cast Glass-Ceramic Restoration* — Preston, J.D., Bergen, S.F., editors (second edition) C.V. Mosby, 1987 (submitted)

*Dicor - The Cast Ceramic Restoration* — Parmeijer, C.H., editor, *Proceedings of the Symposium Alternatives to the Use of Traditional Porcelain. Restorative Techniques Publishing, Framingham, 1988*

*Clinical Application of Bonded Dicor Crowns: Two Year Report* — I.A.D.R. Abstract, Journal of Dental Research, 69:299, 1990

*Periodontics and Prosthodontics: Goals, Objectives, and Clinical Reality* — The Journal of Prosthetic Dentistry, 67:259, 1992

*Bonded vs. Non-bonded Dicor Crowns: Four Year Report* — A.A.D.R. Abstract, Journal of Dental Research 71:321, 1992

*The Use of Hazard Analysis for Ongoing Clinical Trials* — A.A.D.R. Abstract, Journal of Dental Research 71:321, 1992

*Prosthodontic Perspectives in the Management of Temporomandibular Disorders and Orofacial Pain* — The Journal of Prosthetic Dentistry, 69:77, 1993

*The Interdisciplinary Relationship Between Prosthodontics and Dental Technology* — The International Journal of Prosthodontics, 9:341, 1996

*La Relazione Interdisciplinare tra la Protesi Dentale e la Tecnologia Dentale* — Pagine D. Album, da il Nuov Laboratorio Odontotecnico, 1994. Brescia: 1994

*Survival of Dicor Glass-Ceramic Dental Restorations Over Fourteen Years: Part I. The Survival of Dicor Complete Coverage Restorations and the Effect of Internal Surface Etching, Tooth Position, Gender and Age* — The Journal of Prosthetic Dentistry, 81:23, 1999

*Survival of Dicor Glass-Ceramic Dental Restorations Over Fourteen Years: Part II. The Effect of Thickness of Dicor Material and Design of Tooth Preparation* — The Journal of Prosthetic Dentistry, 81:662, 1999

*Weibull Analysis of a Clinical Data Base of Molar Ceramic Crowns* — A.A.D.R. Abstract, Journal of Dental Research 79:172, 2000

- Prosthodontists – Achieving quality esthetic dentistry and integrated comprehensive care with new generation techniques and materials* — The Journal of the American Dental Association 131:1742, 2000
- Private Practice Procedures Manual* — American College of Prosthodontists, Third Edition 2001
- Survival of Dicor Glass-Ceramic Dental Restorations Over Sixteen Years: Part III. The Effect of Luting Agent and Tooth or Tooth Substitute Preparation Core Structure* — The Journal of Prosthetic Dentistry 86:511, 2001
- Survival of Glass-Ceramic Materials and Involved Clinical Risk: Variables Affecting Long Term Survival* — Practical Procedures & Aesthetic Dentistry; Supplement: 5, 2003
- Prosthodontic Management of Ridge Deficiencies* — Dental Clinics of North America 48:3:735,2004
- Damage Accumulation and Fatigue Life of Particle Abraded Ceramics* — The International Journal of Prosthodontics 19:5:442,2006
- Team Approach Between Prosthodontics and Dental Technology* — The European Journal of Esthetic Dentistry 2:1:58-79,2007
- Margin Failures in Brittle Dome Structures* — J Biomed Mater Res B Appl Biomater 80(1):78-85,2007
- Lessons Learned in the Use of Different All Ceramic Restorations Over 25 Years: Survival and Involved Clinical Risk: Variables Affecting Long-Term Survival* — The Journal of the American Dental Association (Submitted for Publication)
- Survival of Dicor Glass-Ceramic Dental Restorations Over Twenty Years: Part IV. The Effects of Combinations of Variables* — The International Journal of Prosthodontics (Submitted for Publication)

#### Lectures:

- 1980 Greater New York Academy of Prosthodontics, New York — *The Effect of Various Retraction Procedures in Humans Upon the Periodontium*
- 1981 Boston Perio-Prosthodontic Study Group, Boston — *Prosthetic-Gingival Enhancement*
- 1981 Middlesex Community College, Boston — *The Unrestorable Tooth*
- 1981 Harvard University, Boston — *Gnathology - The Organization for Prosthodontic Occlusion*
- 1983 Greater New York Academy of Prosthodontics, New York — *The Prosthetic-Gingival Interface*
- 1983 Harvard University, Boston — *Gnathology - The Organization for Prosthodontic Occlusion*
- 1983 University of Southern California, Los Angeles — *The Castable Ceramic Crown*
- 1983 Northeastern Gnathological Society, New York — *The Castable Ceramic Crown*
- 1984 Institute for Advanced Dental Studies, Boston — *Tissue Management for Prosthetic Dentistry*
- 1984 Greater New York Dental Meeting, New York — *The Castable Ceramic Crown*
- 1985 The American Academy of Restorative Dentistry, Chicago — *The Castable Ceramic Crown*
- 1985 The Ninth District Dental Society, Westchester — *The Castable Ceramic Crown*
- 1985 The Arizona State Dental Society, Phoenix — *The Castable Ceramic Crown*
- 1985 Shaw Lab Study Group, **Toronto, Canada** — *The Castable Ceramic Crown*
- 1985 Northshore Perio-Prosth Study Group, Boston — *The Castable Ceramic Crown*
- 1985 Dentsply International, York, Pennsylvania — *The Castable Ceramic Crown*
- 1985 The Manchester Dental Society, Manchester — *The Castable Ceramic Crown*
- 1985 The Academy of Denture Prosthetics, Hilton Head — *The Castable Ceramic Crown*
- 1985 The North Carolina Dental Society, Pinehurst — *The Castable Ceramic Crown*
- 1985 Southshore District Dental Society, Randolph, Massachusetts — *The Castable Ceramic Crown*
- 1985 The Fourth International Symposium on Ceramics, Chicago — *An Evolution in the Science and Art of Fixed Prosthodontics*
- 1985 The Laboratory Congress, New York City — *The Castable Ceramic Crown*
- 1985 Corning Glass Works, Corning — *The Castable Ceramic Crown*
- 1985 Hebrew University, **Jerusalem, Israel** — *The Castable Ceramic Crown*

- 1986 The Third District Dental Society, Albany — *The Cast Glass-Ceramic Crown*
- 1986 The Yankee Dental Congress, Boston — *The Cast Glass-Ceramic Crown*
- 1986 Dicor Symposium, **Paris, France** — *Dicor Glass-Ceramic Dental Applications*
- 1986 The Newport Harbor Academy of Dentistry, Newport Beach — *The Cast Glass-Ceramic Crown*
- 1986 The Second International Symposium on Periodontics and Restorative Dentistry, Boston —  
*Restorative Margins Can Be Made to Fit - True or False?*
- 1986 New York University Alumni Day, New York — *The Cast Glass-Ceramic Crown*
- 1986 American Academy of Cosmetic Dentistry, **Toronto, Canada** — *The Cast Glass-Ceramic Crown*
- 1986 Villa Vittoria Di Odontoiatria Specialistica, **Ancona, Italy** — *The Cast Glass-Ceramic Crown*
- 1986 The International Symposium on Alternatives to Porcelain, **Amsterdam, Netherlands** —  
*The Cast Glass-Ceramic Crown*
- 1986 Somar Lab Study Group, New York City — *The Castable Ceramic Crown*
- 1986 Concord Study Group, Concord, Massachusetts — *The Castable Ceramic Crown*
- 1987 Stark County Dental Society, Canton, Ohio — *The Cast Glass-Ceramic Crown*
- 1987 Villa Vittoria Di Odontoiatria Specialistica, **Ancona, Italy** — *Periodontics and the  
Prosthodontist — Clinical Demonstration and Lecture Course*
- 1987 Aurum Lab Study Group, **Calgary, Canada** — *The Cast Glass-Ceramic Crown*
- 1987 The Kootenay Dental Society, **Cranbrook, Canada** — *The Cast Glass-Ceramic Crown*
- 1987 The Sixth International Symposium on Ceramics, Los Angeles — *The Cast Glass-Ceramic Crown*
- 1987 Berkshire Dental Society, Williamstown, Massachusetts — *Prosthodontic Management of  
the Advanced Periodontal Disease Patient ( A Course Presented with Dr. Gerald Kramer)*
- 1987 The American Dental Association National Meeting, Las Vegas — *The Cast Glass-Ceramic Crown*
- 1987 The Greater New York Academy of Prosthodontics, New York — *The Cast Glass-Ceramic Restoration*
- 1988 Manchester Dental Society, Manchester, New Hampshire — *Prosthodontic Management of  
the Advanced Periodontal Disease Patient*
- 1988 Tri-County Dental Society, Lexington, Massachusetts — *The Cast Glass-Ceramic Restoration*
- 1988 Studio Associato Di Odontoiatria Specialistica, **Ancona, Italy** — *The Cast Glass-Ceramic Restoration*
- 1988 Amdi Verona, **Verona, Italy** — *The Cast Glass-Ceramic Restoration*
- 1988 University of Milano, **Milano, Italy** — *The Cast Glass-Ceramic Restoration*
- 1988 Studio Dentistico Associato, **Milano, Italy** — *Dental Esthetics and Biological Excellence —  
The Cast Glass-Ceramic Restoration — Clinical and Laboratory Demonstration and Lecture*
- 1988 Academy of Denture Prosthetics, **The Bahamas** — *The Cast Glass-Ceramic Restoration*
- 1988 Allan Brewer Prosthodontic Conference, Rochester — *The Cast Glass-Ceramic Restoration*
- 1988 Dicor Symposium, **Tokyo, Japan** — *The Cast Glass-Ceramic Restoration*
- 1988 Osaka University, **Osaka, Japan** — *The Cast Glass-Ceramic Restoration*
- 1988 Nihon University, **Tokyo, Japan** — *The Cast Glass-Ceramic Restoration*
- 1988 California Dental Society, San Francisco — *The Cast Glass-Ceramic Restoration*
- 1988 University of Southern California Symposium on Resin Retained Ceramics, Los Angeles —  
*The Cast Glass-Ceramic Restoration*
- 1988 American College of Prosthodontists, Baltimore — *Getting Started for Examination  
by the American Board of Prosthodontics*

- 1988 American College of Prosthodontists, New England Section, Boston — *The Cast Glass-Ceramic Restoration*
- 1989 The American Academy of Crown and Bridge Prosthodontics, Chicago — *The Cast Glass-Ceramic Restoration*
- 1989 The Metropolitan District Dental Society, Brookline — *The Cast Glass-Ceramic Restoration*
- 1989 Recigno Lab Study Group, Philadelphia — *The Cast Glass-Ceramic Restoration*
- 1989 Dr. DePaoli Study Group, Boston — *The Cast Glass-Ceramic Restoration*
- 1989 Italian Academies AIOP-AIC, **Bologna, Italy** — *Dicor Symposium*
- 1989 Third International Symposium on Periodontics and Restorative Dentistry, Boston — *Resin-Bonded Ceramic Restoration*
- 1989 Congress Amici D. Brugg, **Rimini, Italy** — *Perspectives in Dental Ceramic*
- 1989 Scandinavian Society of Periodontics, **Aahus, Denmark** — Chairman, Esthetic Dental Reconstructions — *Present Status and Future Demands*
- 1989 American College of Prosthodontics, Tucson — *Getting Started for Examination by the American Board of Prosthodontics*
- 1990 Congres International de Dentisterie Esthetique, **Paris, France** — *Preparation, Impressioning and Luting of Cast Glass-Ceramic Restorations*
- 1990 West Metropolitan Dental Society, Framingham — *Perspectives in Dental Ceramics*
- 1990 International Academy of Dental Research, Cincinnati — *Clinical Application of Bonded Dicor Crowns*
- 1990 Joseph Ewing Study Club, Philadelphia — *Perspectives in Modern Dental Ceramics*
- 1990 National Naval Dental Center, Bethesda — *Perspectives in Modern Dental Ceramics*
- 1990 Academy of Denture Prosthetics, Palm Springs — *Prosthodontics and Periodontics - Goals, Objectives, and Clinical Reality*
- 1990 American Academy of Esthetic Dentistry, Hershey — *Dicor Revisited - The Protagonist View*
- 1990 B.Y.U. Academy of Dentists, Provo — *Perspectives in Modern Porcelain Dental Ceramics*
- 1990 First Panorama of Aesthetics in Dentistry, **Munich, Germany** — *Aesthetic Effects with Cast-Glass-Ceramics; Demonstration - Periodontal Diseased High Lip Line Patient, Preparation and Provisionalization*
- 1990 American College of Prosthodontists, Charleston — *American Board of Prosthodontics Preparation Course*
- 1990 The University of Michigan, Ypsilanti — Faculty-First Annual Comprehensive Review for Prosthodontists and Prosthodontic Residents — *Periodontics and Prosthodontics*
- 1990 York Dental Lab Study Group, Sayville, Connecticut — *Perspectives in Dental Ceramics*
- 1990 Yankee Dental Meeting, Boston — *1. Perspectives in Modern Dental Ceramic; 2. Periodontics and Prosthodontics - Goals, Objectives, and Clinical Reality*
- 1991 American Prosthodontic Society, Chicago — *Periodontics and Prosthodontics - Goals, Objectives, and Clinical Reality*
- 1991 Orange County Dental Society, Orange — *Perspectives in Dental Ceramics*
- 1991 The Greater Nashua Dental Society, Nashua — *Perspectives in Dental Ceramics*
- 1991 Studio Associato Di Odontoitria Specialistica, **Ancona, Italy** — *Clinical Demonstration*
- 1991 Dr. DePaoli Study Club, **San Benedetto, Italy** — *Advanced Periodontics, Implants, and Prosthodontics*
- 1991 Albert-Ludwigs University (Prof. Dr. Joerg Strub), **Frieburg, Germany** — *The Esthetic Management of the Advanced Periodontal and Implant Patient*
- 1991 The University of Michigan, Ypsilanti — Faculty - Second Annual Comprehensive Prosthodontic Review — *Ceramic and Metal Ceramic Restorations*

- 1991 Dayton Dental Society, Dayton — *Perspectives in Dental Ceramics*
- 1991 American College of Prosthodontists, Reno — *American Board of Prosthodontics Preparation Course*
- 1991 New York Academy of Dentistry, N.Y.C. — *Perspectives in Dental Ceramics*
- 1992 The American Academy of Dental Science, Boston — *Periodontics and Prosthodontics - Goals, Objectives, and Clinical Reality*
- 1992 American Academy of Dental Research, Boston — *Bonded vs. Non-bonded Dicor Crowns: Four Year Report*
- 1992 The Ninth District Dental Society, Westchester — *Perspectives in Dental Ceramics*
- 1992 American College of Prosthodontists - New York Section, N.Y.C. — *Preparation for Examination by the American Board of Prosthodontics*
- 1992 European Academy of Esthetic Dentistry, **Madrid, Spain** — *New Perspectives in Dental Ceramics*
- 1992 International Quintessence Symposium, **Madrid, Spain** — *Ceramics, Periodontics, and Prosthodontics*
- 1992 St. Louis Dental Meeting of Prosthodontics, St. Louis — *Perspectives in Dental Ceramics*
- 1992 The University of Michigan, Ann Arbor — Faculty - Third Annual Comprehensive Prosthodontic Review — *Ceramic Restorations*
- 1992 Parkway Dental Society, Dedham — *Perspectives in Periodontics and Prosthodontics*
- 1992 American College of Prosthodontists, Tampa — *American Board of Prosthodontics Preparation Course*
- 1992 Dr. Fradeani and Dr. Parma Study Group, Boston — *Prosthodontic Management of the Advanced Periodontal Disease Patient*
- 1993 Mellow Grove Study Group, Killington — *Perspectives in Dental Ceramics*
- 1993 Ivoclar Study Day, Chicago — *Perspectives in Dental Ceramics*
- 1993 Harvard University, Boston — *Lessons Learned over Ten Years*
- 1993 Southshore District Dental Society, Randolph — *Perspectives in Dental Ceramics*
- 1993 Dr. DePaoli Study Group, Boston — *Perspectives in Dental Implants*
- 1993 American Academy of Esthetic Dentistry, Los Angeles — *All Ceramic Metamorphosis to In Ceram and Empress*
- 1993 The Medical College of Georgia, Atlanta — *Ceramic Symposium - Perspectives in Modern Dental Ceramics*
- 1993 Dr. Parma Study Group, Boston — *Perspectives in Dental Ceramics*
- 1993 Dahlin Lab Study Group, Denver — *Perspectives in Dental Ceramics*
- 1993 International College of Prosthodontists, **Burgenstock, Switzerland** — Chairman, Optimal Esthetic 1993 - *New Porcelains, New Techniques, New Cements, New Restorative Procedures*
- 1993 University of Zurich, **Zurich, Switzerland** — *Dental Ceramic Systems*
- 1993 The University of Michigan, Ann Arbor — Faculty - Fourth Annual Comprehensive Review for Prosthodontists and Prosthodontic Residents — *All Ceramic and Metal Ceramic Restorations*
- 1993 American College of Prosthodontists, Palm Springs — *American Board of Prosthodontics Preparation Course*
- 1993 San Diego County Dental Society, San Diego — *Perspectives in Dental Ceramics*
- 1993 Bayview Lab Study Group, Norfolk, Virginia — *Perspectives in Dental Ceramics*
- 1993 Dresch Lutton Lab Group, Holland, Ohio — *Perspectives in Dental Ceramics*
- 1993 Northshore Perio-Prosth Study Club, Salem — *Perspectives in Dental Ceramics*
- 1994 The University of Illinois, Chicago — *Perspectives in Dental Ceramics*
- 1994 Harvard School of Dental Medicine, Boston — *Fixed Prosthodontics*
